CONSTITUTION OF THE STUDENT ADVISORY COMMITTEE

The Student Advisory Committee is hereby constituted in the Department with the following faculty and student members to address student-related issues, facilitate effective communication between students and faculty, and promote academic excellence and student welfare.

Composition of the Student Advisory Committee

S. No.	Designation / Representation	Name of the Member
1	Head of the Department	
2	Staff Coordinator	
3	Student Representative – II Year	
4	Student Representative – II Year	
5	Student Representative – III Year	
6	Student Representative – III Year	
7	Student Representative – IV Year	
8	Student Representative – IV Year	
9	PG Student Representative – All Specializations (I)	
10	PG Student Representative – All Specializations (II)	

Sufficient representation shall be maintained for female student representatives on the Student Advisory Committee. All Heads of Departments (HoDs) are requested to constitute the committee accordingly every year and submit a copy of the committee composition to this office for record purposes.

Functions of the Committee:

1. To discuss and address academic and student welfare issues.
2. To facilitate communication between students, faculty members, and the Head of the Department.
3. To suggest measures for improving teaching, learning, and departmental activities.
4. To promote discipline, student participation, and a healthy academic environment.
5. To submit recommendations to the Head of the Department for necessary action.

All concerned members are requested to extend their cooperation for the effective functioning of the committee.
